Dear Mr. Cooney:

**Re: EPCOR Natural Gas Limited Partnership (EPCOR Natural Gas)
Application for 2020 – 2024 Rates
Ontario Energy Board File Number: EB-2018-0336**

The Ontario Energy Board (OEB) issued its Decision and Interim Rate Order on July 4, 2019, which directed parties to file a letter by July 16, 2019 to clarify the types of adjustments expected to be made to actual net income with respect to determining earnings sharing during the incentive rate-setting period.

By letter dated July 17, 2019, EPCOR Natural Gas informed the OEB that parties are currently discussing the mechanics of such adjustments. Accordingly, EPCOR Natural Gas requested an extension until July 19, 2019 to file the letter.

EPCOR Natural Gas' request for an extension is granted. EPCOR Natural Gas shall file its letter by July 19, 2019.

The procedural dates for all other items in the Decision and Interim Rate Order remain unchanged.

Yours truly,
