**DECISION AND ORDER**

Dominion Newenergy Inc., doing business as DNE Resources filed a complete application on May 9, 2019, with the Ontario Energy Board (OEB), pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for an agent only electricity retailer licence renewal. The licence would allow the applicant to act as an agent or broker with respect to sale or offering for sale electricity on behalf of retailers and consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an agent only electricity retailer licence to Dominion Newenergy Inc., doing business as DNE Resources.

**IT IS ORDERED THAT:**

1. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
