RE: Sale of Hydro One Networks Inc. Joint Use Poles – Breadner Blvd., Trenton

This letter is to confirm Hydro One Networks Inc.'s ("Hydro One") agreement to sell 5 poles currently owned by Hydro One to Bell Canada ("Bell"), conditional to the Ontario Energy Board's ("OEB") approval. This also confirms that Bell supports Hydro One to proceed with the Section 86(1)(b) application without a hearing.

Bell is required to take ownership of the 5 Hydro One poles in Bell's prime exchange area in Trenton, in order for Bell to place new fibre cable.

The proposed sale is an ownership change for the purpose of maintaining the ownership balance between Bell and Hydro One as per the signed Joint Use Agreement ("the Agreement"). Under Article 8 of the Agreement, it dictates that the ownership of Joint Use poles shall continue as is on the basis of an ownership ratio of 60:40 (Hydro One: Bell) in the Province until the Agreement is amended or terminated by either Party. As per the Agreement, if Bell wants to do any work in their prime exchange areas, they must hold ownership of the poles. The sale will be conditional on the following reassurance being given to Hydro One:

- 1.0** Acceptance of the existing joint use tenants, where applicable, whose tenancy with Hydro One will be subsequently terminated upon the sales transaction.

The 5 poles will be transferred, following the OEB's approval, on an "as is, where is" basis, pursuant to Hydro One's Joint Use agreement. The assets being sold in this transaction are located on Breadner Blvd. in Trenton and details of the assets and locations are found in Attachments 1 and 2.

- Since these assets are being sold on an "as is, where is" basis, the residual value has been modified to remove the cost of pulling the poles.
- The list of poles to be sold to Bell Canada are found in Attachment 1.
- The sale price is \$5,930.00 plus \$770.90 HST for a total of \$6,700.90.
- The physical location of the 5 poles to be sold to Bell Canada are located in Trenton and are shown in Attachment 2.

If you are in agreement with these conditions of the sale of the 5 poles, please sign and return this letter at your earliest convenience. On receipt of this signed letter of consent and indemnity, we will proceed to obtain formal approval from the OEB to transfer the 5 poles to Bell Canada.

Thank you for your assistance in this matter.

Yours truly,
