Dear Ms. DeMarco and Ms. Butany-DeSouza:

**Re: Request for intervenor status
Alectra Utilities Corporation - Application for 2020 Rates
Ontario Energy Board File Number: EB-2019-0018**

This is in response to the letter dated July 26, 2019, filed by Distributed Resource Coalition's (DRC), in relation to DRC's request for intervenor status and cost award eligibility in Alectra Utilities Corporation's (Alectra Utilities) 2020 rate application.

On June 18, 2019, the OEB issued its Notice of hearing in the subject application. By letter dated July 3, 2019, DRC applied for intervenor status and cost award eligibility. By letter dated July 3, 2019, Alectra Utilities objected to DRC's request for intervenor status and cost award eligibility. On July 9, 2019, the OEB issued Procedural Order No. 1 and noted that it would make a decision on DRC's request after DRC had filed its reply to Alectra Utilities' objection, which DRC was expected to file by July 12, 2019. DRC's reply was filed on July 26, 2019.

In order to allow Alectra Utilities an opportunity to respond to the information within DRC's July 26, 2019 letter, the OEB has decided to make provision for further written submissions on this matter. In the event Alectra Utilities wishes to reply to DRC's July

26, 2019 letter, it shall file its reply submission with the OEB by **August 2, 2019**. If DRC wishes to reply to Alectra Utilities' submission, it shall file its reply submission with the OEB by **August 7, 2019**.

Yours truly,
