Dear Ms. Walli:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (Board) File No.: EB-2018-0142  
Chippewas of the Thames First Nation, North Bay Northshore and Peninsula Roads  
and Saugeen First Nation Community Expansion Projects (Projects)**

---

On May 7, 2018 Union Gas Limited ("Union") filed an application - EB-2018-0142 - with the Board for orders pursuant to Sections 36 (1) and 90 of the Ontario Energy Board Act, to construct three Community Expansion Projects: Chippewas of the Thames First Nation, North Bay Northshore and Peninsula Roads, and Saugeen First Nation. On November 29, 2018, the OEB placed the proceeding in abeyance due to loss of funding from the Natural Gas Grant Program.

On April 24, 2019 Enbridge Gas filed an application – EB-2019-0139 - with the Board for the Chippewas of the Thames First Nations project. In that application Enbridge Gas indicated that it would update the EB-2018-0142 application for the North Bay Northshore and Peninsula Road and Saugeen First Nation projects later in 2019.

Enbridge Gas is currently updating the North Bay Northshore and Peninsula Road and Saugeen First Nation projects and will be filing these applications with the Board under different file numbers. Enbridge Gas is therefore requesting that the EB-2018-0142 application be withdrawn.

In the event that you have any questions on the above or would like to discuss in more detail, please contact the undersigned.
