Dear Mr. Denomy

**Re: Enbridge Gas Inc.  
2019 Community Expansion Project  
Ontario Energy Board File Number EB-2018-0142**

This will acknowledge receipt of Enbridge Gas Inc.'s letter dated July 31, 2019, requesting that the 2019 Community Expansion Project application be withdrawn.

The application was filed with the Ontario Energy Board (OEB) on May 7, 2018, and included Chippewas of the Thames First Nation, North Bay (Northshore and Peninsula Roads), and Saugeen First Nation. The OEB placed the application in abeyance on November 29, 2018, due to the loss of funding from the Natural Gas Grant Program.

Enbridge Gas filed an application for the Chippewas of the Thames First Nation portion of the project on April 24, 2019 (EB-2019-0139).

Enbridge Gas is currently updating the North Bay and Saugeen First Nation portions of the application and will be filing these as two separate applications with the OEB under different file numbers.

By way of this letter, the OEB accepts the withdrawal of the 2019 Community Expansion Project application. Accordingly, Board File No. EB-2018-0142 has been closed.

Yours truly,
