Rates and Charges – Updated and Consolidated Responses to Oral Hearing Undertakings**

Please find attached an updated and consolidated package of the undertaking responses filed during the Oral Hearing. This package includes two updates:

- An updated table of evidence concordance filed in response to Undertaking J1.1; and
- A revised response to Undertaking J1.2 to include the revenue requirement impact of the updated regulatory costs in OEB Appendix 2-M, which is being filed today under separate cover.

Please contact me directly if you have any questions or concerns.

Respectfully,
