Re: EB-2019-0007 – Information Request – Approved Intervenor Bell Mobility Inc.

Dear Mr. Anderson:

In response to your letter request sent on June 24, 2019, and subsequent clarification received on July 9, 2019, Imperial is providing the GIS shapefile for the proposed Waterdown to Finch Project. The attached shapefile includes the following data layers:

- Proposed route
- Proposed temporary workspace
- Proposed temporary access roads
- Bore and HDD construction locations

Should you have any further questions, please do not hesitate to contact me.

Regards,

Jessie Malone
Environmental and Regulatory Lead, Imperial
