Dear Ms. Walli,

EB-2018-0275 - Application to Establish a Deferral Account for Niagara Reinforcement Limited Partnership ("NRLP")

Hydro One Networks Inc. ("HONI") on behalf of a newly created transmission company called Niagara Reinforcement Limited Partnership ("NRLP"), filed an application seeking approval for three interrelated applications dated July 31, 2019 under docket EB-2018-0275/0276/0277.

To assist the Ontario Energy Board, Hydro One has separated out the application under s.78 of the OEB Act, which seeks approval for the "NRP Transmission Line Revenue Requirement Deferral Account".

This submission provides the relevant documents related to that application. Further information, if required, may be available in the combined application.

Hydro One respectfully requests that the Board review and consider the attached application at its earliest convenience.
