Re: Technical Conference – August 12-13, 2019

On May 30, 2019, Procedural Order No. 1 in this proceeding was issued which stated in part that:

Following its review of Hydro One Networks' responses to interrogatories, the OEB will determine if a technical conference is required. If required, a transcribed technical conference will be held on **August 12, 2019** starting at 9:30 a.m. in the OEB's Offices at 2300 Yonge Street, 25th floor, Toronto to clarify any matters arising from the interrogatories only. If required, the technical conference will continue on **August 13, 2019**. Parties intending to participate are to notify Hydro One Networks, and copy all parties, of the topic areas for questioning by **August 7, 2019**.

The OEB has reviewed the responses to interrogatories provided by Hydro One Networks and has determined that a technical conference would be beneficial in identifying and narrowing down the key issues going forward. The OEB therefore confirms that the technical conference will proceed as outlined above.

Yours truly,
