Dear Ms. Walli,

Re: EB-2019-0137 Consultation to Review Natural Gas Supply Plans – Equinor Natural Gas LLC Participation Request Letter

Equinor Natural Gas LLC (“Equinor”) applies for intervenor status in the EB-2019-0137 proceeding, the application by Enbridge Gas Inc. (“Enbridge”) to the Ontario Energy Board (“Board”) for the Consultation to Review Natural Gas Supply Plans.

Statement of Interest

Equinor is a shipper on TransCanada’s Canadian Mainline (“TCPL”) and delivers from the TCPL Mainline to the Enbridge central delivery areas (“CDA”). Specifically, Equinor holds approximately 30% of the firm contracted transportation into the Enbridge CDA on TCPL. Equinor serves up to 30% of the demand load per day at Enbridge CDA via its sales directly to Enbridge as well as its other customers at the location. Equinor has a direct interest in the review of the cost-effectiveness, reliability and security of supply, risk management and execution of Enbridge’s gas supply plan.

In participating in the proceed, Equinor will focus its intervention on the cost-effectiveness and execution of Enbridge’s gas supply plan. Equinor does not intend to seek a cost award in this proceeding.
