RE:

EB-2019-0007 – Bell Mobility Inc. – Intervention withdrawn

Ms. Kristen Walli,

Bell Mobility Inc. has completed an analysis of the mapping data provided by Imperial on Wednesday July 31/2019.

Our RF Planning team has determined that EB-2019-0007 does not represent a significant impact to any installed or imminently proposed wireless telecommunications infrastructure.

Considering the above, Bell Mobility's questions regarding this proposal have been sufficiently addressed and is therefore withdrawing as an intervener from these proceedings.

Thank you for your consideration,
