**Re: EB-2019-0007 – Imperial Oil Limited Application for leave to construct the Waterdown to Finch Project
Responses to Interrogatories
Rationale for confidential filings**

Dear Ms. Walli:

Imperial Oil Limited submitted responses to the Interrogatories on August 6, 2019. The purpose of this letter is to clarify the evidence and rationale for filing information in confidence.

In the Interrogatory Response (file IOL_IRR_Redacted_20190806) the following information is filed in confidence:

- City of Mississauga 2.1(f), Page 13 of 168, Table 10-1: Coordinates of valve locations were filed in confidence to protect the security of the site. Approximate kilometer post of locations were kept public.
- City of Toronto 1.5(a), Page 43 of 168, Table 27-1: Coordinates of valve locations were filed in confidence to protect the security of the site. Approximate kilometer post of locations were kept public.
- City of Toronto 4.1(b), Page 61 of 168, Table 32-1: Coordinates of the pipeline alignment were filed in confidence to protect the security of the pipeline. Approximate kilometer posts were kept public.
- Halton Region 4.23(a), Page 164 of 168, Table 94-1: Coordinates of valve locations were filed in confidence to protect the security of the site. Approximate kilometer post of locations were kept public.

There is no information that was filed in confidence in the Interrogatory Response Appendices (file IOL_IRR_Appendix 1-16_Redacted_20190806).

In the Interrogatory Response Appendices (file IOL_IRR_Appendix 17-19_Redacted_20190806) the following information is filed in confidence:

- Appendix 17, Updated Land Line List Table 6-1, Page 1 of 81, Halton Region 2(a) IR response: Private landowner names and addresses were filed in confidence to protect the privacy of landowners.

Should you have any further questions, please do not hesitate to contact me.
