Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street, Suite 2700  
Toronto, Ontario, M4P 1E4

Dear Ms. Walli:

**Re: Ontario Energy Board (the “Board”) File No. EB-2018-0188  
Enbridge Gas Inc. (“Enbridge Gas”)  
Chatham Kent Rural Project – Leave to Construct (the “Project”)  
Comments on Cost Claims**

---

Enbridge Gas has reviewed cost claims submitted by Anwaatin Inc. (“Anwaatin”) and the Industrial Gas Users Association (“IGUA”) for the above noted proceeding.

Enbridge Gas notes that the cost claim submitted by Anwaatin is more than 200% higher than the cost claim submitted by IGUA. In the Decision and Order granting leave to construct for the Project, the Board rejected the submissions made by Anwaatin and concluded that Enbridge Gas has satisfied the duty to consult for the Project. Enbridge Gas suggests that the Board consider Anwaatin’s cost claim in relation to IGUA’s cost claim.

If you have any questions, please contact the undersigned.

Regards,
