Dear Mr. Graham:

**Re: Request for late intervenor status
Hydro One Networks Inc. (Hydro One) - Application for 2020 Rates
Ontario Energy Board File Number: EB-2019-0082**

This letter is in response to the Society of United Professionals' (SUP) request for late intervenor status in the above-referenced application. SUP's intervention request was received by the Ontario Energy Board (OEB) on August 8, 2019 after the deadline for filing such requests had closed. SUP noted that due to a change in its counsel it had missed the Notice of Hearing that was served on SUP. SUP noted that it represents the interests of 1500 professional employees at Hydro One. Hydro One did not object to SUP's request.

The OEB is satisfied that SUP has a "substantial interest" in this proceeding within the meaning of Rule 22.02 of the OEB's *Rules of Practice and Procedure* and is approved as an intervenor. SUP shall accept the record of the proceeding to this point and as of the date of this letter.

Yours truly,
