Dear Mr. Beharriell:

**Re: Algoma Power Inc.'s Electricity Distribution Licence Amendment,  
Licence Cancellations  
OEB File EB-2018-0271**

On April 4, 2019, the OEB issued a Decision and Order granting Dubreuil Lumber Inc. leave to sell its distribution system to Algoma Power Inc. (API). In its decision, the OEB stated that upon receiving notification of the completion of the transaction, the OEB would:

- 1) Amend API's electricity distribution licence ED-2009-0072 to include the Township of Dubreuilville to the description of the service area in which API is authorized to distribute and sell electricity;
- 2) Include a condition in API's electricity distribution licence ED-2009-0072 to provide API with limited relief from regulatory liability; and
- 3) Cancel Dubreuil Lumber Inc.'s electricity distribution licence (ED-2012-0074) and API's interim electricity distribution licence (ED-2017-0153).

On August 1, 2019, API notified the OEB that all parties to the Asset Purchase Agreement have agreed to close the transaction on August 7, 2019 and requested that

the OEB issue the amended licence to API and cancel the licences described above. API further confirmed that the transaction closed on August 7, 2019.

Please find enclosed the amended electricity distribution licence ED-2009-0072 of Algoma Power Inc.

Dubreuil Lumber Inc.'s electricity distribution licence ED-2012-0074 and Algoma Power Inc.'s interim electricity distribution licence ED-2017-0153 are cancelled, effective August 7, 2019.

Yours truly,
