Dear Ms.Malone:

**Re: Response to Letter of Comment by the City of Hamilton
Imperial Oil Limited- Waterdown to Finch Project Application
Ontario Energy Board File Number: EB-2019-0007**

On August 12, 2019, the Ontario Energy Board (OEB) received a letter of comment from the City of Hamilton expressing a number of concerns regarding: pipeline integrity and financial assurances, emergency response, natural heritage, sourcewater protection, corridor management and enhancements to address safety concerns.

Should Imperial Oil wish to respond to the concerns the City of Hamilton expressed in its letter of comment, it may do so by filing a written response with the OEB, copying all parties, by August 21, 2019.

The OEB appreciates Imperial Oil's accommodating the City of Hamilton given that the City has withdrawn as an intervener from the proceeding and therefore could not take the opportunity to address its questions and concerns in the interrogatory process.

Please direct any questions relating to this application to the Case Manager, Zora Crnojacki, Project Advisor, at 416-440-8104 or zora.crnojacki@oeb.ca.

Yours truly,

Kirsten Walli
