Dear Ms. Long:

**Re: Algoma Power Inc. (“API”) Application for 2020 Distribution Rates (EB-2019-0019)
Submissions on Confidentiality**

On August 14, 2019, API requested confidential treatment of certain information contained in two interrogatory responses as well as certain information in documents filed in support of those responses. The OEB issued Procedural Order No. 2 on August 15, 2019 providing for intervenor and OEB Staff submissions on the confidentiality requests and a reply submission by API.

API did not receive any submissions objecting to its request to maintain the confidentiality of the redacted information. As such, there is no need for API to file a reply submission.

Yours truly,

Greg Beharriell,
