August 22, 2019

DECISION AND ORDER

Chaudière Hydro North L.P. filed an application on June 28, 2019 under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for an electricity generation licence.

Chaudière Hydro North L.P. was formed in December 2015 to own and operate a 12 MW hydroelectric generation facility, known as Gatineau 1GS. The facility will be operating under a power purchase contract with the Independent Electricity System Operator.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the electricity generation licence to Chaudière Hydro North L.P.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
