Dear Mr. Denomy

**Re: Enbridge Gas Distribution Inc.  
Liberty Village Pipeline Project  
Ontario Energy Board File Number EB-2018-0096**

On September 27, 2018, the Ontario Energy Board (OEB) issued its Decision and Order for the above noted proceeding in which it granted Enbridge Gas Inc. (Enbridge Gas) leave to construct pipeline facilities in the Liberty Village neighbourhood of the City of Toronto. On July 5, 2019, pursuant to the OEB's Condition of Approval 6. a), Enbridge Gas filed with the OEB its three-month post construction report (Report). OEB staff reviewed the Report, and on August 1, 2019, sent a letter to Enbridge Gas requesting a written reply to four questions about the Report. Enbridge Gas filed its responses on August 20, 2019.

OEB staff appreciates Enbridge Gas' prompt filing of responses to the questions. This letter will confirm that nothing further is required with respect to the Report from Enbridge Gas at this time.

Yours truly,
