**Re: Utility Remuneration and Responding to Distributed Energy Resources (DERs)
EB-2018-0287/0288**

Dear Ms. Long,

The Canadian Solar Industries Association (CanSIA) is in receipt of the letter from counsel for APPrO ("APPrO's Letter") that was filed with the Board on August 23, 2019. CanSIA is supportive of the request proposed by APPrO that would enable interveners the opportunity to review and consider the Proposed Process.

Sincerely,

Wesley Johnston
President and CEO
Canadian Solar Industries Association
