**Re: Procedural Order No. 4 Extension Request  
Imperial Oil Limited – Waterdown to Finch Project Application  
Ontario Energy Board File Number: EB-2019-0007**

Dear Ms. Walli:

With respect to Procedural Order No. 4 issued by the OEB on August 20, 2019, and in consideration of all intervenors of record, Imperial respectfully requests an extension until September 20, 2019 for the OEB and intervenors to provide written submissions.

To maintain review timelines, Imperial also requests that the Procedural Order No. 4 be amended such that Imperial may file a written reply submission by September 30, 2019.

This additional time will be used to work directly with the City of Toronto on various matters including requested information. The City of Toronto is supportive of this request for an extension.
