Dear Mr. Mondrow:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Application for 2018 Disposition of Deferral & Variance Account Balances  
and 2018 Utility Earnings  
Ontario Energy Board File Number: EB-2019-0105**

This is in response to your request on behalf of Industrial Gas Users Association (IGUA) for intervenor status and cost eligibility in the referenced application. IGUA's intervention request was received after the date for filing such requests had passed.

The OEB did not receive any objection from Enbridge Gas.

IGUA is approved as an intervenor and is eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

Being eligible to apply for recovery of costs is not a guarantee of recovery of any costs claimed. The OEB will not generally allow the recovery of costs for the attendance of more than one representative of any party, unless a compelling reason is provided when cost claims are filed. Cost awards are made by way of OEB order at the end of a hearing.

Yours truly,

*Original Signed By*

Christine E. Long  
Registrar
