Ontario Energy Board

Dear Ms. Walli:

**Re: Utility Remuneration and Responding to Distributed Energy Resources  
Consultation Initiation  
Board File No.: EB-2018-0287 and EB-2018-0288**

We are counsel to the Distributed Resource Coalition (**DRC**) in the above-referenced proceedings (the **DER Proceedings**).

DRC requested participant status and cost eligibility in the DER Proceedings on March 29, 2019. In its Decision on Cost Eligibility dated July 17, 2019, the Board invited DRC to reapply for cost eligibility provided that it addressed certain concerns with additional information. DRC reapplied for cost eligibility in the DER Proceedings and provided the requested additional information on July 29, 2019.

We emailed Board staff requesting that the Board advise as to the anticipated timing of its decision on DRC's cost eligibility on August 26 and 28, 2019. DRC has not received a response to its letter of July 29 or its email correspondence of August 26 and 28. We respectfully request that the Board advise DRC of the status of its request for cost eligibility in the DER Proceedings so that it can adequately prepare for the Stakeholder Meeting now scheduled for September 17-19, 2019.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan McGillivray".
