¹ Collectively the Union North West, Union North East and Union South rates zones are referred to as “Union rate zones”. Union North West and Union North East are collectively referred to as “Union North”.

1 **EGD Rate Zone**

2 Within the Decision with Reasons in the EB-2012-0459 proceeding², the Board
3 established a Custom Incentive Regulation Mechanism (“Custom IR”) framework to set
4 EGD’s rates over the period from 2014-2018. Among other things, this includes an
5 Earnings Sharing Mechanism (“ESM”) under which EGD is to share earnings above the
6 Board-approved Return on Equity (“ROE”) with ratepayers on a 50/50 basis. The
7 Custom IR framework includes a number of deferral and variance accounts to be
8 maintained or created during the IR term.

9 Under the Custom IR framework, after the release of its Audited Financial Statements
10 for the prior year EGD is required to file an Application setting out the ESM calculation
11 for that year. Within the Application, EGD is to set out its proposal for the clearance of
12 amounts recorded in the Earnings Sharing Mechanism Deferral Account (“ESMDA”) and
13 other deferral and variance accounts.

14 Pursuant to the EB-2012-0459 Decision with Reasons, EGD is also required to annually
15 report upon the status of a number of initiatives and activities as part of the ESM
16 Application. The relevant updates for 2018 are included at Tab D.

17 **Union Rate Zones**

18 In EB-2017-0087³, Union applied to the Board for an order approving or fixing just and
19 reasonable rates and other charges for the sale, distribution, storage and transmission
20 of gas by Union effective January 1, 2018. The Board approved Union’s request. In
21 doing so, the Board approved the continuation of certain deferral and variance
22 accounts.

² EB-2012-0459 – Enbridge Gas Distribution Application seeking approval of rates for 5-year period beginning January 1, 2014, Decision with Reasons dated July 17, 2014

³ EB-2017-0087 – Union Gas 2018 Rates proceeding

1 For the purpose of this Application, Union's approved Incentive Regulation Mechanism
2 ("IRM")⁴ provides for sharing if in any calendar year, Union's actual utility return on
3 equity ("ROE") is more than 100 basis points over the 2013 Board-approved ROE of
4 8.93%.

5 Excess earnings between 100 basis points and 200 basis points would be shared 50/50
6 between Union and its customers. If, in any calendar year, Union's actual ROE is more
7 than 200 basis points over the 2013 Board-approved ROE of 8.93%, then such earnings
8 in excess of 200 basis points would be shared 90/10 between customers and Union.

9 Union's 2018 actual utility earnings did not exceed the 100 basis point threshold
10 therefore there is no earnings sharing. There are balances to be cleared from certain
11 other deferral and variance accounts.

12 Enbridge Gas seeks approval to clear the final balances of certain EGD rate zone and
13 Union rate zones 2018 deferral and variance accounts as listed in Exhibit B, Tab 1,
14 Appendix A, Schedule 1 for EGD rate zone and Exhibit C, Tab 1, Appendix A, Schedule
15 1 for Union rate zones.

16 Enbridge Gas therefore applies to the Board for such final, interim order or other orders
17 as may be necessary or appropriate for the clearance or disposition of the 2018 deferral
18 and variance accounts listed in Exhibit B, Tab 1, Appendix A, Schedule 1 for EGD rate
19 zone and Exhibit C, Tab 1, Appendix A, Schedule 1 for Union rate zones. Enbridge Gas
20 proposes to clear the balances in these accounts in conjunction with the January 1,
21 2020 QRAM application.

22 Enbridge Gas further applies to the Board pursuant to the provisions in the Act and the
23 Board's *Rules of Practice and Procedure* for such final, interim or other Orders and

⁴ EB-2013-0202 – Union Gas Incentive Regulation Mechanism, decision and Order, dated October 7, 2013

directions as may be appropriate in relation to the Application and the proper conduct of this proceeding.

This Application is supported by written evidence. This evidence may be amended from time to time as required by the Board, or as circumstances may require.

The persons affected by this application are the customers resident or located in the municipalities, police villages and First Nations reserves served by Enbridge Gas, together with those to whom Enbridge Gas sells gas, or on whose behalf Enbridge Gas distributes, transmits or stores gas. It is impractical to set out in this application the names and addresses of such persons because they are too numerous.
