OEB Staff Submission

**Enbridge Gas Inc. and EPCOR Natural Gas Limited
Partnership**

**2016-2018 Cap and Trade-related Deferral and
Variance Accounts**

EB-2018-0331

September 6, 2019

INTRODUCTION

On August 22, 2019, the Ontario Energy Board (OEB) issued a Decision and Order directing Enbridge Gas Inc. (Enbridge Gas) and EPCOR Natural Gas Limited Partnership (EPCOR Gas) to each file a draft Rate Order that reflected the Decision and Order. The Decision and Order also made provisions for intervenors and OEB staff to provide comments on the draft Rate Orders.

Enbridge Gas filed its draft Rate Order on August 30, 2019.

EPCOR Gas filed an updated draft Rate Order on September 5, 2019.

SUBMISSION

OEB staff has reviewed Enbridge Gas' draft Rate Order and submits that it should be approved as filed as it accurately reflects the Decision and Order.

For EPCOR Gas, OEB staff submits that the tariff sheets for Rates 1 to 5 should be approved as filed. The tariff sheet for Rate 6 (on page 20), OEB staff submits that there appears to be two typos that EPCOR Gas needs to correct:

- Cap and Trade facility-related charge should be **(\$248)** per month, not \$248 per month as this is a refund as per Appendices A and B
- Cap and Trade GGEIDA should be \$11,177 per month, not \$10,929 per month as per Appendices A and B

All of which is respectfully submitted
