Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board

Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Certificates of Public Convenience and Necessity  
Norfolk County, the County of Elgin and the County of Middlesex  
Ontario Energy Board File Number: EB-2017-0108**

In its Procedural Order No. 12 issued on August 30, 2019, the Ontario Energy Board gave Enbridge Gas an opportunity to submit a proposed in-service date and a cost assessment for serving two residences on Cromarty Drive in the Municipality of Thames Centre.

Upon review of the costs to extend existing infrastructure to provide service to these residences, Enbridge Gas has determined that, although we would like to connect these customers, we believe that it is more economic for EPCOR to attach these specific customers to their system.

Should you have any questions on this submission, please do not hesitate to contact me.

Yours truly,
