Board Secretary  
Ontario Energy Board  
27-2300 Yonge Street  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: EB-2017-0108: Application for certificates of public convenience and necessity for Norfolk County, the County of Elgin, and the County of Middlesex**

**Re: New customer requests for service in Thames Centre — Reply Comments**

---

Enbridge Gas filed a letter in this proceeding on September 9, 2019, indicating that it would be more economic for EPCOR Natural Gas LP (ENGLP) to attach the two residences which were the subject of ENGLP's August 29, 2019 letter filed in this proceeding. ENGLP views the Enbridge submission as not opposing ENGLP desire to connect the two residences in response the customer requests.

In Procedural Order No. 12, the Board made provision for ENGLP to file reply submission on Enbridge's information on or before September 16, 2019.

ENGLP confirms that it will not be filing any further reply in this matter.

Please feel free to contact me if you have any questions.

Sincerely,
