**Re: Request for Procedural Order Schedule Extension
Imperial Oil Limited – Waterdown to Finch Project Application
Ontario Energy Board File Number: EB-2019-0007**

Dear Ms. Walli:

With respect to Procedural Order No. 4 and the extension request granted by the OEB on September 3, 2019, and in consideration of all intervenors of record, Imperial respectfully requests an extension until October 15, 2019 for the OEB and intervenors to provide written submissions.

To maintain review timelines, Imperial also requests that the Procedural Order schedule be amended such that Imperial may file a written reply submission by October 25, 2019.

This additional time will be used to work directly with the City of Toronto on various matters including requested information. The City of Toronto is supportive of this request for an extension.
