Dear Ms. Malone:

**Re: Request for Procedural Schedule Extension by the Imperial Oil Limited
Imperial Oil Limited- Waterdown to Finch Project Application
Ontario Energy Board File Number: EB-2019-0007**

On September 18, 2019, the Ontario Energy Board (OEB) received a letter from Imperial Oil Limited (Imperial Oil) asking that the schedule in this proceeding be revised to provide additional time for OEB staff and intervenors to file their written submissions and for Imperial Oil to file its reply submission.

Imperial Oil explained that the additional time will also be used to work directly with the City of Toronto on various matters, including the City's requested information. Imperial Oil noted that the City of Toronto supports this request for a procedural schedule extension.

The OEB approves the request for extension and acknowledges that the procedural schedule set in the OEB's letter dated September 3, 2019 is now revised as follows:

- OEB staff and intervenors may file written submissions with the OEB and serve it on Imperial Oil and all intervenors by **October 15, 2019**.
- Imperial Oil may file a written reply submission with the OEB and serve it on all intervenors by **October 25, 2019**.

Please direct any questions relating to this application to the Case Manager, Zora Crnojacki, Project Advisor, at 416-440-8104 or zora.crnojacki@oeb.ca.

Yours truly,
