Re: Ontario Energy Board Licenses for Goldcorp Canada Ltd and Goldcorp Red Lake Gold Mines

Dear Sir/Madam,

Please find the package for two wholesale licenses attached to this letter. The first wholesale license application is for "Goldcorp Canada Ltd", which covers our Porcupine operation in Timmins and our Musselwhite operation in Northwestern Ontario. The second application is for "Goldcorp Red Lake Gold Mines" for our Red Lake operation in Red Lake.

Earlier this year, Newmont and Goldcorp reached an agreement to combine the two businesses. On April 18, 2019, we successfully closed the transaction to create the world's leading gold company. Newmont Goldcorp brings together an unmatched portfolio of world-class operations, development projects, mineral reserves, exploration opportunities, and people in the most favorable mining jurisdictions and prospective gold districts around the globe.

Goldcorp Canada Ltd will continue to operate under its current legal entity. As for Red Lake, it will continue to operate under "Goldcorp Red Lake Gold Mines" partnership, where Goldcorp Canada Ltd holds 99.9% of the interests and 0.1% is with "Newmont Goldcorp Red Lake Holdings Ltd".

We trust you find the applications in good order. Please feel free to contact myself or the following individual should you have any questions, comments or concerns:
