Dear Mr. Mark:

Re: **PF Resolute Canada Inc. (Resolute)**
Application pursuant to Section 35 of the *Electricity Act*, 1998
Ontario Energy Board File No. EB-2019-0206

This letter acknowledges receipt of your September 6, 2019 letter on behalf of the Independent Electricity System Operator (IESO) in respect to the referenced application by Resolute for an order directing the IESO to amend certain Market Rules which pertain to the qualifications to participate in the IESO's Demand Response Auction.

Your letter outlines concerns related to the scope of the proceeding and seeks to have the OEB consider striking a portion of the application.

Today the OEB has issued a Notice of Hearing which will commence the adjudication of Resolute's application. Upon completion of the intervention period, the application will be assigned to an OEB Panel. It will be the OEB Panel that will make determinations as to how it wishes to proceed with the Application. Your letter has been placed on the public record and will be forwarded to the OEB Panel hearing this application. All parties will be advised of further steps in due course.

Any questions relating to the application should be directed to Michael Bell, Case Manager at Michael.Bell@oeb.ca or at 416-440-7688.

Yours truly,
