Re: Peterborough Distribution Inc. ED-2002-0504
2020 IRM Application Deadline Deferral Request

Dear Ms. Walli:

Pursuant to the Board's July 15, 2019 correspondence with respect to the process for 2020 IRM distribution rate applications, Peterborough Distribution Inc. (PDI) is identified by the Board in Tranche 2 with an IRM application deadline of October 15, 2019.

As you are aware, PDI is awaiting approval of their MAAD application after the technical conference scheduled for October 3rd and 4th of 2019. We have previously confirmed there will be no rate increase, submission of a Cost of Service, or DSP while our MAAD application is pending.

We have been working on the data required for our IRM, however, we have discovered an anomaly in the reporting used to provide the required information. We have found the source of the anomaly, but it will take some additional time to rectify the issue.

We are asking for an extension of our October 15th deadline to allow us the time necessary to ensure the data we provide is correct. We ask you to postpone our IRM submission deadline to the November 24th, 2019, 4th tranche filing deadline.

Thank for your consideration in this matter, and should you require any further information, please do not hesitate to contact the undersigned.

Regards,
