Dear Ms. Wali,

**Re: Energy+ Inc. applied to change its electricity distribution rates effective January 1, 2020.
TMMC Request for Intervenor Status Board File No.: EB-2019-0031**

I am writing on behalf of Toyota Motor Manufacturing Canada Inc. ("TMMC") to request that it be granted intervenor status in the above-referenced proceeding.

1. TMMC's Interest

TMMC owns and operates a car manufacturing plant located in Cambridge, Ontario (the "Cambridge Plant"). The Cambridge Plant is connected to the electricity distribution system of Energy+ Inc. ("Energy+") and TMMC is one of Energy+'s Large Use Service customers.

2. TMMC's Participation in the Proceeding

It is TMMC's intention to participate in the proceeding with a focus on proposed rate adjustments including annual adjustment mechanism, proposed distribution rates (fixed and variable), and disposition and allocation of certain of Energy+'s variance and deferral account balances. TMMC also has an interest in the proposed fixed service charge for the large user class.

3. Hearing Process

TMMC requests that the Application be heard orally.

4. Costs

TMMC does not intend to seek a cost award in this proceeding.
