

ONTARIO ENERGY BOARD NOTICE

Enbridge Gas Inc. has applied to the Ontario Energy Board for approval to construct approximately 34 kilometres of natural gas pipeline and associated facilities in the Municipality of West Grey and the Township of Chatsworth, both in the County of Grey.

Enbridge Gas Inc. has also applied to introduce a new firm transportation service for gas distributors under Rate M17.

Learn more. Have your say.

If the application is approved as filed, Enbridge Gas Inc. proposes to construct approximately 34 kilometres of new 12-inch diameter natural gas pipeline and associated facilities. A map showing the location of the proposed pipeline is below:

Enbridge Gas Inc. Proposed Pipeline

Enbridge Gas Inc. is also asking the Ontario Energy Board to approve the form of agreements it offers to landowners to use their land for routing or construction of the proposed pipeline and ancillary facilities.

Enbridge Gas Inc. says that the pipeline is needed to provide transportation services to the South Bruce expansion area and to respond to forecast growth along the Owen Sound pipeline system.

Enbridge Gas Inc. also proposes to introduce a new service for gas distributors effective December 1, 2019. This new service under Rate M17 is proposed to be a firm point-to-point transportation service for existing and new gas distributors in Ontario. Enbridge Gas Inc. is also proposing to modify and limit the applicability of the existing bundled delivery service under Rate M9 and the semi-unbundled storage and transportation service under Rate T3, to existing gas distributor customers.

Please review the application carefully for a complete list of approvals and to determine whether you will be affected.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Enbridge Gas. During the hearing, we will question Enbridge Gas on the case. We will also hear questions and arguments from individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Enbridge Gas' compliance with the OEB's Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

The OEB will also assess whether the duty to consult with Indigenous communities potentially affected by the proposed pipeline has been discharged with respect to the application.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.
