I, **Cathy Galler**, of the Town of Whitby, in the Province of Ontario, **MAKE OATH AND SAY:**

1. I hold the position of Legal Assistant to Ian Mondrow, and as such have direct knowledge of the matters herein deposed to.
2. I received a letter (Letter of Direction) dated October 1, 2019 from the Ontario Energy Board in connection with AMPCO's Application pursuant to Section 33 of the *Electricity Act, 1988*. The Letter of Direction directs the steps to be taken to publish and serve AMPCO's Notice of Application and AMPCO's Application and supporting evidence in the application referred to above, among other things. Pursuant to the OEB's letter of direction I served the Independent Electricity System Operator ("**IESO**") with copies of the English and French versions of the Notice, the application and all other application materials by:
 - (a) Sending a hard copy of AMPCO's Application and application materials to Michael Lyle, Vice President Legal Resources and Corporate Governance, at the IESO; and
 - (b) Sending electronic copies of the English and French versions of the Notice of Application to Regulatory Affairs (RegulatoryAffairs@ieso.ca) and Devon Huber (Senior Manager, Regulatory Manager, devon.huber@ieso.ca) at IESO and to IESO's counsel, Mr. Glenn Zacher (GZacher@stikeman.com).

3. I am informed by Colin Anderson and I verily believe that copies of the English and French versions of the Notice, the Application and all other application materials are available for public review at its Head Office and that these materials have been posted in a prominent place on AMPCO's website, which can be accessed using the following link: <https://ampco.org/regulatory-affairs/>.
