Dear Ms. Walli:

**Re: Association of Major Power Consumers in Ontario (AMPCO) – EB-2019 – 0242 –
Intervention Request**

Please accept this letter as a request from Rodan Energy Solutions Inc. (“Rodan”) for intervenor status in the above proceeding commenced by the Association of Major Power Consumers in Ontario for review and issuance of an order revoking amendments to the market rules made by the Independent Electricity System Operator (“IESO”) (MR-00439-R00 to -R05), and referring the amendments back to the IESO for further consideration.

Rodan’s Interest

Rodan is a leading North American energy management company delivering innovative solutions to large commercial and industrial energy users, as well as power distribution and generation companies. Our expertise in distributed energy and energy intelligence allows our customers to reduce energy costs, enhance power system reliability and help develop a sustainable energy future.

Rodan is one of the largest aggregators of demand response resources in Ontario. As an IESO market participant who is active in the Demand Response Auction, Rodan has an interest in the outcome of this proceeding. The scope of our participation will be dependent on the how the hearing progresses, as any changes to the Demand Response Auction and the upcoming transitional capacity auction may have the potential to impact Rodan.

Rodan does not require hard copies of the materials and will not be seeking an award of costs.
