Dear Ms. Walli,

**EB-2019-0082 – Procedural Order No. 3 for Hydro One Networks Inc.’s 2020-2022 Transmission Custom IR Application (the “Application”)**

On August 21, 2019 the Ontario Energy Board (OEB) issued Procedural Order No. 3 establishing, along with other matters, the oral hearing schedule and the remaining procedural steps for this Application.

Hydro One is also in receipt of the OEB’s electronic mail dated October 4, 2019 in which the OEB requested details regarding various aspects of the Witness Panels and appearances for the oral hearing. In reply to both matters:

*i. Procedural Order No. 3 – Oral Hearing, Application Presentation*

Hydro One proposes to make a 30-minute presentation at the start of the oral hearing on October 21, 2019 at 09:30 a.m. The presentation will be made by three of Hydro One’s witnesses and will be made in lieu of panel opening statements. Each witness will be available for cross-examination on the content of the presentation when they appear on their subsequent respective panels.

*ii. Witness Panels and Cross-References*

Table 1 below outlines the Panels, Witnesses, and order of appearances for the oral hearing.
