Hi Alyson,

I can't verify the rates used for the RSTR's in the Energy+ section. I found Kitchener's in their last decision EB-2018-0048 but when I look at Energy+ last decision EB-2018-0028, I can't verify the \$2.5185 and \$1.8550. Can you please update the model or point me in the direction for verifying the rates?

I've attached the most recent rate generator you sent back with your last IR responses.

Thanks,
Kelli
