Dear Ms. Crnojacki and Ms. Djurdjevic:

**Re: Upper Canada Transmission, Inc. operating as NextBridge Infrastructure,  
LP (“NextBridge”)  
Ontario Energy Board (“Board”) File EB-2019-0127  
East-West Tie Project – Expropriation Application  
Expropriation Plans – Correction**

---

Further to NextBridge’s letter of October 8, 2019 enclosing Plans of Expropriation (with the exception of four Grant Lake Forest Resources Ltd. parcels), NextBridge has been advised of an error to a portion of the northerly limit of the plan entitled “Part of the Township of Naveau Now in the Municipality of Wawa” and named as .pdf “EWT 9013 Corridor”. NextBridge requests that the formerly submitted plan be replaced with the attached updated plan. NextBridge also submits a plan with the corrected limits outlined in red for the OEB’s reference.

NextBridge apologises for the inconvenience this may have caused the OEB and OEB Staff.

Please contact the undersigned at [nina.lindop@enbridge.com](mailto:nina.lindop@enbridge.com) or at (780) 420-5202 if you have any questions.

Yours truly,

(Original Signed)

Nina Lindop
