Dear Ms. Tidmarsh:

**Re: NextBridge Infrastructure, LP  
Extension Request for Quarterly Report on the East-West Tie Project  
Board File No.: EB-2017-0182**

On October 17, 2019, Upper Canada Transmission Inc., operating as NextBridge Infrastructure, LP (NextBridge) filed a letter with the Ontario Energy Board (OEB) requesting an extension to the date on which NextBridge is to file its quarterly report for the period July 1 to September 30, 2019. NextBridge asked for an extension to November 8, 2019 from the required filing date of October 22, 2019, given the nature and scope of the certain reporting requirements as set out in the OEB's October 10, 2019 letter to NextBridge. The OEB grants NextBridge's request for an extension. NextBridge is required to file its quarterly report for the period July 1 to September 30, 2019 by **November 8, 2019**.

Yours truly,
