Dear Ms. Walli:

Re: EB-2018-0305 – Enbridge Gas Inc. Application for 2019 Natural Gas Rates and Other Charges – Quinte Manufacturers Association Cost Claim

Pursuant to the Board's Decision and Order dated September 12, 2019 in the above-noted proceeding, please find attached the cost claim documents of the Quinte Manufacturers Association (the "QMA" or "Association") in this matter.

The QMA is an unfunded industry collaborative that provides a forum for members to discuss issues and matters of common concern dealing with increasing costs of natural gas transmission, distribution, supply and service. The work of the QMA represents the specific interests of its members and is led by a volunteer steering committee with members drawn from local manufacturers in the Bay of Quinte region.

The Association appreciated the opportunity to participate in this proceeding, work with other intervenors, clarify issues, and make its submissions. The Association believes and submits that it acted in a responsible manner during the proceeding and requests 100% of its reasonably incurred costs. I would ask that the cost claim payment be made directly to GH Gunter Huettlin Manufacturing Inc. on behalf of the QMA.

Sincerely,

Scott Roodvoets
Chair, QMA Steering Committee
