October 31, 2019

DECISION AND ORDER

NGUTech Inc., doing business as ValEnergy Company filed a complete application on August 20, 2019, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for a unit sub-metering licence renewal. The licence would allow the applicant to continue providing unit sub-metering services to consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue a unit sub-metering licence to NGUTech Inc., doing business as ValEnergy Company.

IT IS ORDERED THAT:

A unit sub-metering licence is granted on such conditions as are contained in the attached licence.
