Re: Board File No. EB-2019-0037 – 2020 Cost of Service Application
Greater Sudbury Hydro Inc. – Licence No. ED-2002-0559

Dear Ms. Walli:

On November 27, 2018, the Ontario Energy Board (the “Board”) issued a letter to all licensed electricity distributors in which it identified the list of distributors expected to file a Cost of Service Application. In Appendix A of that letter, Greater Sudbury Hydro Inc (GSHi) was scheduled for rebasing for rates effective May 1, 2020, with a filing date of August 31st, 2019.

Subsequently, on July 23rd, 2019, GSHi advised the Board that it would be delayed in filing its Application and would be submitting on October 31st, 2019. Accordingly, GSHi now submits its 2020 Cost of Service Application. Two hard copies of the Application have been couriered to the OEB’s offices.

Questions or concerns in this matter should be addressed to the undersigned.

Respectfully submitted,
