Dear Ms. Walli:

**Re: EPCOR Natural Gas Limited Partnership (“ENGLP”) EB-2018-0336 Application for 2020 to 2024 Rates – Phase 2 Proceeding – Extension to File**

---

Pursuant to the Decision and Order issued October 24, 2019, EPCOR's deadline for filing its Draft Rate Order is October 31, 2019.

EPCOR requests additional time to file and requests an extension to November 1, 2019.

We submit that this extension will not impact the overall timelines associated with the orderly implementation of rates for January 1, 2020, and that the request does not unduly prejudice the other parties to this proceeding.

Thank you for your consideration. Please do not hesitate to contact me if you have any questions.

Sincerely,
