Dear Ms. Long:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Application for certificates of public convenience and necessity for Norfolk  
County, the County of Elgin and the County of Middlesex  
Ontario Energy Board File Number: EB-2017-0108**

In its Decision and Order in the above-referenced proceeding issued on October 17, 2019, the OEB granted certificates to Enbridge Gas' and EPCOR Natural Gas Limited Partnership (ENGLP) pertaining to Norfolk County, the Municipality of Bayham, the Municipality of Central Elgin, the Township of Malahide, and the Municipality of Thames Centre (the Municipalities). The Decision and Order was based, in part, on a joint submission filed by Enbridge Gas, ENGLP and OEB staff.

On October 31, 2019, Enbridge Gas filed a letter on behalf of itself and ENGLP, identifying two areas of the Decision and Order that the utilities submit require correction.

OEB staff has reviewed the proposed typographical corrections identified in the letter, and supports Enbridge Gas and ENGLP's requests to revise the October 17, 2019 Decision and Order accordingly.

Yours truly,
