**Re: Enbridge Gas Inc. (“Enbridge Gas”)  
Ontario Energy Board (“Board”) File No.: EB-2018-0188  
Chatham-Kent Rural Project (“Project”)**

---

On July 11, 2019 the Board issued its Decision and Order for the above noted proceeding which included, as Schedule B, several Conditions of Approval.

Per section 2. (b) ii. of the Conditions of Approval, Enbridge Gas is to provide the Board with notice in writing of the planned in-service date, at least ten days prior to the date the facilities go into service. Enbridge Gas is therefore advising the Board that both the Bear and Base Lines were fully pressurized and filled with Gas on October 31, 2019. We are expecting that the station will be flowing gas on November 18, 2019.
