Hi Alyson,

Thanks for the conference call. Can you please confirm that there is no double counting of the rates or volumes true-ups in the additional RPP true-up amounts in this application?

Thanks,

Tina

Hi Kelli,

I have attached 2 files, but in talking to our settlement analyst I believe he can explain it well over the phone. The response was difficult to explain in a written format. Could we schedule another call with Tina - preferably this afternoon if she is available?

Thanks,

Alyson
