Regarding: 2020 IRM Application (EB-2019-0042)

Dear Board Staff,

Considering the significant balance in Account 1588, Hydro Hawkesbury is withdrawing its request to dispose of the December 31, 2018 balances in Accounts 1588 and 1589. Hydro Hawkesbury believes that it would be prudent to conduct a further review of these account balances in the context of the OEB's February 21, 2019 accounting guidance. Upon completion of this review, Hydro Hawkesbury expects to bring these balances forward for disposition as part of its 2021 IRM application.

Yours truly,
