Kingston CoGen Limited Partnership's Information for the Hearing Schedule**

Pursuant to the Ontario Energy Board's email request dated November 18, 2019, Kingston CoGen Limited Partnership ("KCLP") puts forward the following information for the hearing schedule in the above-captioned matter.

KCLP intends to call the following witnesses in the upcoming oral hearing:

1. John Windsor, whose examination-in-chief will last approximately 15 minutes; and
2. Brian Rivard, whose examination-in-chief will last approximately 30 minutes.

At this time, KCLP is not prepared to provide its plans for cross-examination until it receives the responses to the interrogatories due November 20, 2019. Once it has received those answers to interrogatories, KCLP will be able to inform the Board whether it intends to cross-examine the expert witness from London Economics International.

Should you have any questions or require further information in this regard, please do not hesitate to contact me.

Yours very truly,

**BORDEN LADNER GERVAIS LLP**
